

Dhaka Environmentally Sustainable Water Supply Project

PRE-BID PROJECT ROADSHOW INFORMATION FOR ATTENDEES

Introduction

This 'roadshow' will introduce potential bidders of the design-build contract indicated below to the project and provide information to attract reputable international and local companies to bid.

The design-build contract package will comprise a 2,000 MLD river intake at Meghna River, approximately 500 MLD pumping station, 22 km long raw water pipeline and 500 MLD Water Treatment Plant. The successful bidder will be required to design and build the facilities and operate them for 3 years.

The roadshow is scheduled from 14 March to 16 March 2014.

Day 1 is for site visits and days 2 and 3 will allow for a presentation of the project and one-to-one meetings with individual consortia to discuss the project in more detail with DWASA and Mott MacDonald project staff, who are assisting in the bid preparation.

Programme

Fri 14 Mar 2014: 07:00 to 17:00 <i>Meet outside The Westin Dhaka at the address below at 07:00 (Bangladesh local time) to commence the site visit.</i> Guided site visit with DWASA staff to Bishnondi Intake site + pipeline route + Gandharbpur WTP site + existing Saidabad WTP.
Sat 15 Mar 2014: 09:00 to 16:00 Project briefing meeting with DWASA's MD, followed by one-to-one meetings.
Sun 16 Mar 2014: 09:00 to 12:30 Further one-to-one meetings.
